Welcome to Sussex Table Tennis

November 2008

Welcome to the Sussex County Table Tennis Association Handbook for the season 2008/9. I hope that it makes interesting reading to you.

I would like to express my thanks to those who have provided information for my use in preparing this handbook. Particular thanks go to Carol Beames for providing the information that Alan Beames had collected and retained regarding the past winners of various county events.

I would like to thank Jack Boulton for providing me a copy of his research regarding where to play. It would be helpful if any clubs not on this list were to contact me to ensure their inclusion in this list in the future.

Thank you to Bribar Sports, Table Tennis Direct, Tees Sports and TT Links for their advertisements that will help to pay the printing costs for this production. I hope that you will all support these companies and thank them properly for their support of Sussex Table Tennis.

The only non Table Tennis sponsor that I found was Pureprint Group, who has printed this handbook. I hope that we will support Pureprint with any printing projects that we have, large or small.

If you have any information that you would like to include in future editions of this handbook, or you want to update or correct any information in this handbook, please feel free to contact me at any time.

ETTA Personnel working for Sussex County TTA

Lisa Bosley - South East Regional Development Officer

Lisa has recently graduated from the University of Leeds with a BA Hons Sports Development and Physical Education. Lisa has been involved with Table Tennis from a young age and has been involved at a variety of levels. Lisa has now progressed to a career within Table Tennis taking on the role as the ETTA South East Regional Development Officer. Lisa is responsible for Table Tennis Development within Oxfordshire, Buckinghamshire, Berkshire, Hampshire & IOW, Surrey, Sussex, Kent.

Lisa's work programme consists of club and facility development, volunteer and coach development, co-ordinating PESSYP (PE and Sport Strategy for Young People) club links and school sport, and helping to provide communication between the ETTA and the South East Region. Lisa is also happy to attend league meetings to discuss and assist with any development issues.

Alex Green - South East Regional Coach

Originally from Boston in Lincolnshire, Alex as a player has represented England at schoolboy junior and U21 level on trips to Sweden and Saudi Arabia. Former Lincolnshire Junior and Senior champion and current Lincolnshire number one, Alex took up coaching alongside training and began working in premier clubs around Lincolnshire, working extensively in Cliffdale Chandlers Premier club.

Alex is a current ETTA level 3 coach, after finishing his studies in Sports Science took up a position for TTK Greenhouse working in Deptford London. There he built up a table tennis programme, with the enthusiasms not only being on table tennis, but also developing the children's social skills. This was a full time programme working 09:00 17:00 doing a wide range of coaching from primary's schools, to secondary PE lessons one to ones and group sessions. While at weekends children would be taken away to tournaments.

Achievements for Alex while with Greenhouse were Semi Final appearances with his school at U13 boys and U16 Girls level, and having 15 players on the National ranking list at the same time. While with Greenhouse he had two players represent Kent with the highest ranked player Jide Owolabi being ranked top 50 England Juniors.

Having moved on to work for the ETTA as the South Eastern regional coach, it is Alex's job to work in 3 clubs - Crawley, Hollingbury and Horsham, along with assisting in regional coaching. Alex's role looks at improving playing standards, as well as trying to help build clubs participation numbers and develop coaches.

The STTA is a cooperative of progressive Sussex table tennis clubs and individuals actively working to develop the sport in partnership with other interested parties. Our key objectives are to get more people playing table tennis and to raise standards of play. A lot of our work involves supporting junior players but this is not our exclusive focus. To date the STTA has been responsible for successful, but still evolving, initiatives such as the Sussex Junior Circuit, the Sussex Coaching Project and a large email distribution list for keeping the Sussex TT community informed of news and opportunities.

If you're keen to find out more or perhaps get involved in the STTA's work please let us know. We're particularly keen to hear from forward-thinking people wanting to improve things and a bit of time and energy to help follow-through on ideas suggested. Please use the 'Contact Us' section on the website - www.sussextta.co.uk - to get in touch.
